EXCISE

The Embassy of the United States of America presents its compliments to the Ministry for Foreign Affairs of Israel and has the honor to present in accordance with accepted principles of international law a claim for $142,500 on behalf of [redacted] and a claim for $40,000 on behalf of [redacted] the widow and parents, respectively, of [redacted] an employee of the United States Government who was killed while serving aboard the U.S.S. Liberty when it was attacked by Israeli air and naval units on June 8, 1967.

It is established from evidence available to the Government of the United States that [redacted] is now and has been a citizen of the United States since March 6, 1945 the date of her birth at Halsayville, Alabama, that she was married to the decedent at the time of death, and that such marriage occurred on May 1, 1965.

It is also established that [redacted] are the natural parents of the decedent and are now and have been citizens of the United States since November 29, 1918 and December 28, 1923, respectively, the dates of their births at Farmington, Washington and Yakima, Washington.

The evidence further establishes that the decedent

September 5, 1943, the date of his birth at Yakima, Washington, was an employee of the Government of the United States stationed aboard the U.S.S. Liberty on June 8, 1967, and was killed as a result of the Israeli attack.

The amount of the claim for the surviving wife is based upon the loss of special services the decedent would have performed, shock and mental anguish suffered as a result of the death and the loss of financial contributions the decedent would have made towards her support. In determining the latter amount consideration has been given to the age of the decedent at the time of death; the number of years decedent would have been employed; the actual yearly salary at the time of death; the average yearly salary projected over the years the decedent would have been employed; the expenses decedent would have incurred over the years such as family expenses, income taxes and personal expenses, and the present worth of the contributions.

The amount of the claim for the surviving parents includes a specific allowance for shock and emotional anguish suffered by the parents as a result of the violent severing of family ties. It also includes an allowance for future support, services and other benefits which the decedent could reasonably be expected to have provided to his parents.

The Embassy of the United States confidently anticipates on the basis of assurances previously given by the Government of Israel that the Government of Israel promptly will compensate the United States on behalf of the widow and parents of [redacted] for the amount claimed.
